ERIC J. ROTHCHILD, M.D.

Medical & Surgical Director

"Elevating Healthcare, One Vision at a Time."

Results-oriented Medical & Surgical Director with extensive experience in ophthalmology, poised to transition into a clinical position at the University of Utah, Moran Eye Center. A proven track record of excellence in clinical practice, education, and research, driving innovative approaches to patient care and advancing the field of ophthalmology. Known for fostering collaborative environments to promote interdisciplinary teamwork and elevate standards of care. Committed to nurturing the next generation of ophthalmologists through mentorship and education while spearheading initiatives to enhance clinical outcomes and research excellence.

AREAS OF EXPERTISE

Clinical Leadership | Surgical Expertise | Patient Care Excellence | Team Collaboration | Research Innovation | Strategic Planning
Quality Improvement | Education and Mentorship | Multidisciplinary Approach | Healthcare Administration | Business Acumen

CAREER HIGHLIGHTS

Medical & Surgical Director | Rothchild Eye Institute | Delay Beach, Florida Founder / Owner — 1988 - Present

Medical & Surgical Director | South County Outpatient Surgery Center, Delay Beach, Florida — 2006 – Present

SPECIALITY

Affiliate Assistant Professor |Florida Atlantic University, College of Medicine — 2012 – 2018

Admissions Committee | Florida Atlantic University, College of Medicine — 2012 – 2018

Medical Student Clinical Rotations in Ophthalmology | Florida Atlantic University, College of Medicine — 2012 - 2018

CURRENT HOSPITAL AFFILIATIONS

South County Outpatient Surgery Center, Delray Beach, FL
Delray Community Hospital, Delray Beach, FL

TEACHING POSITIONS

Instructor: LaserVision LASIK | **Refractive Surgery Course Instructor** American Academy of Ophthalmology
Refractive Surgery Course Instructor | American Society of Cataract & Refractive Surgeons
Cataract Surgery Course Instructor | American Society of Cataract & Refractive Surgeons
Radial Keratotomy Course Instructor: International Society of Refractive Surgery
Cataract Surgery Course Instructor: American Academy of Ophthalmology
Instructor: Casebeer Radial Keratotomy Course / Chiron ALK Course
Director: Columbia Hospital's Excimer Laser Center, South Florida
Instructor: VISX Excimer Laser - Certified Physicians' Trainer

ORGANIZATIONS

Florida Society of Ophthalmology | Palm Beach Ophthalmology Society | Diplomate of National Board of Medical Examiners
Florida Medical Association | Palm Beach County Medical Society | American Academy of Ophthalmology, Fellow
KMSG - Keratomileusis (LASIK) Study Group | ESCRS - European Society of Cataract and Refractive Surgery
ASCRS: American Society of Cataract and Refractive Surgery ACES: American College of Eye Surgeons
Contact Lens Association of Ophthalmologists | ISRS: International Society of Refractive Surgery
Diplomate of American Board of Ophthalmology American Medical Association

RESEARCH PROJECTS

BAUSCH & LOMB LI61AO-IOL Study — OPHTEC Artisan Myopia Phakic Implantable Lens FDA study

ALLERGAN Alphagan Study Group — EyeSys/VISX collaborative study. Beta site for topography assisted Lasik

LaserVision LASIK Study CRS LASIK Study — Alphagan Glaucoma Study

Alcon Bacterial Keratitis Study Group — Chiron RK Study, Chiron Ophthalmic Laboratories

DGR IOL Glare Study, DGR Ophthalmic Laboratories — Alcon Glare and Decentration IOL Study, Alcon Laboratories

ADDITIONAL RESEARCH PROJECTS

NOT YET RETAINED

Sloan Kettering Institute for Cancer Research, "Erythropoietin Extraction from Urine of Aplastic Anemics"
Weizmann Institute of Science, Rehovot, Israel "Differentiation of Blood Types"
Chiron Corneal Ulcer/Collagen Shield Study, Chiron Ophthalmic Laboratories
Chiron Collagen Shield Post Cataract Study, Chiron Ophthalmic Laboratories
