Jana Mulvaney

Professional Summary

Personable Licensed Clinical Psychologist with 15+ years of experience in mental health counseling and psychotherapy. Expertise in crisis intervention and patient assessment, providing comprehensive care to diverse populations. Proven ability to conduct thorough intake evaluations and develop tailored treatment plans. Committed to enhancing patient outcomes through evidence-based practices and compassionate support.

Work Experience

Licensed Clinical Psychologist

Independent Self Employment-Venice, FL
September 2002 to December 2025

- Collaborated with a multidisciplinary team of healthcare professionals to create integrated treatment plans for patients in psychiatric hospitals or outpatient clinics
- Conducted psychoeducational workshops for community organizations on topics related to mental health awareness and coping strategies
- Supervised doctoral-level psychology interns during their clinical training, providing guidance and feedback on their therapeutic interventions
- Developed specialized treatment programs tailored to the unique needs of specific populations such as children, adolescents, or geriatric patients
- Participated in case conferences with other psychologists or psychiatrists to discuss complex cases and determine appropriate treatment approaches
- Implemented outcome measures to evaluate the effectiveness of therapeutic interventions provided to clients over time
- Delivered culturally sensitive care by adapting therapeutic techniques based on the client's cultural background or identity factors
